Dear Byng Families,

The school year has been an extremely busy one filled with many wonderful learning opportunities. It has been very exciting to see all of the students at Byng learn and grow over the last 10 months. Have a safe and fun-filled summer.

See you in September,  
Mae Senick

### Last Day Assembly

Please join us on Thursday, June 27th for our year-end assembly at 9:00 am.

Our traditional flag lowering will be held at 2:45 pm on Thursday, June 27th. Please join us as we say farewell to this school year and welcome summer holidays!!

### First Day - Picture Day

Picture day is the first day of school. **Tuesday, September 3rd, 2019.**

Junior Kindergarten students start school on **Thursday, September 5th, 2019.**

Junior Kindergarten will have their pictures taken on **September 27th** as well as Group Photos  
Retakes will happen on **Nov. 4th, 2019**

### Classroom Supplies

Classrooms are busy places come September. We would gladly accept donations of paper towel and Kleenex. Students, don't forget your indoor shoes!

### Student Medication

Parents/Guardians are asked to collect or make arrangements to have any unused medication/puffers/epi-pens picked up on Thursday, June 27th.

### Student Medical Form

Student Medical Forms must be signed by the parent/guardian and a doctor at the start of each school year. Medical packages were sent home the week of June 10th for individuals who required them. Please return on September 3rd or during the week of Aug. 26th.

### Mrs. Newman Day

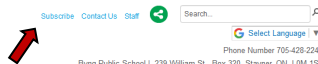

**Wednesday June 26th** has officially been declared Mrs. Newman Day! We are very excited to celebrate with Mrs. Newman as she prepares to cycle across Canada in support of local youth mental health programs at the Royal Victoria Hospital. We will be joining together for a celebratory assembly at 2:00pm on Wednesday June 26th. Students are asked to dress for the occasion in casual biking clothes or by wearing Canada themed clothing, hats etc. We are looking forward to an incredible send-off for an amazing Byng Bronco!

## Cashless/Paperless School

Byng, as with most other schools in our Board, is striving to become a “cashless” school in 2019/2020. We are encouraging everyone to use SchoolCash online. If you do not have access to a computer/Wi-Fi at home, please know this program can be accessed at any public computer, such as those at our Clearview Public Library and Byng office.

Come September 2019, Byng will be changing our field trip forms to online and will no longer be distributing paper copies. Notification of field trip information will be found in the student agenda, monthly newsletter, emailed and/or posted on our website at [byg.scdsb.on.ca](http://byg.scdsb.on.ca).

We strive to be “paperless” in our communications home. All current events and information will be uploaded to our school website and we ask that all our families please subscribe to the website. This tool is a great way to learn about bus cancellations or lateness as well as upcoming events and important dates. All newsletters will be uploaded to our website. Simply click on the subscribe link on the top of the homepage of our school website ([byg.scdsb.on.ca](http://byg.scdsb.on.ca)). Follow the prompts from there to set up the email notifications to inform you when new information is posted.

## Annual Notice to Parents/Guardians of Students Under the Age of 16

A completed Student Medical Form (FORM A1420 - 1) is required each school year, or when a medical need is identified, or when the student transfers to another school, in order to authorize the administration of prescribed medication to students who require it during school hours, or when the medication and/or dosage requirements change.

Specific to asthma, every student is now permitted to carry their asthma medication if the student has their parent's/guardian's permission.

Parent(s)/guardian(s) and adult students are responsible for ensuring that a current, completed Student Medical Form is on file at the school. Parent(s)/guardian(s) and adult students are also to complete a Plan of Care for students with prevalent medical conditions such as anaphylaxis, asthma, type 1 diabetes, or epilepsy/seizure disorder.

Some students may experience severe life-threatening allergic reactions to bee, hornet, wasp or other flying insect stings or to certain foods or food ingredients such as peanuts. For students with life-threatening allergies, it is recommended that two doses of an epinephrine auto-injector are available on site at school.

Please do not hesitate to contact the school with any questions you may have.

## School Office

Summer office hours are 8:15 a.m. to 3:30 p.m. The office will be open until July 5th and will re-open again on Monday, August 26, 2019.
