This is the last call for request for class placements. If you have specific request, please put it in writing and send it to the office. Request will be honoured if based on sound educational reasoning . Please remember it is also based on the number of classes available for that specific grade.

Please join on May 9 for presentation by Chris D'Souza . His presentation promotes Dignity, Self-esteem and Human Rights. His stories, songs and message deepened our understanding of complex identities and equity. Our first presentation begins at 9:30 am.

Our Kick Off for Jump Rope for Heart is the afternoon of May 9th.

If you know anyone with a child ready for kindergarten next year please let them know of our Wel-

come to Kindergarten Event May 10 from 4-6pm in our gym.

Last week , nine of our students participated and received a medal for making it to the county level of the Heritage Fair; Kaden Banks, Tori Collicutt, Gavin White, Christian Quanbury, Ryan Floyd, Olivia Davidson, Maddison Wojcik, Kole Walker and Evan Marriott. Tori won the OHS (Ontario Historical Society) Reading and Remembrance award, Gavin won the OGS (Ontario Genealogical Society) award for use of library research and Kaden won a ribbon in the Canada's National History Society award . Congratulations to all our students for a job well done.

Last month we said good-bye

to Mrs. McInnis after many years of teaching here at Byng and else where in our board. For the past several years she has been our Primary SERT here at Byng. Our students will greatly miss her. She helped a lot of our students learn to read and develop a life long passion for reading. Thank-you Mrs. McInnis for a job well done:)

At this time I would also like to let you know that I will be retiring at the end of this year. I have thoroughly enjoyed my last two years here at Byng and will greatly miss the staff, the students and their families. Thank-you to everyone who has made being at Byng at great place to be a principal.

PAY FOR FIELD TRIPS, LUNCH DAYS, ETC. WITH SCHOOL-CASH ONLINE

The SchoolCash Online program is now available at all schools, offering parents the option to pay online for field trips, lunch days and other items. The program is intended to reduce paper, eliminate the need for students to travel with money, and for money to be counted and stored at schools. Payment by credit card has now also been added.

Parents who sign up will receive a notification when a new item becomes available for purchase. Items are personalized to each student. Parents will use a secure online account to process payments, and can either make a one-time payment for each item as it occurs, or load money to carry a balance in the online account to make payments in the future.

To create an online account, go to <https://simcoecounty.schoolcashionline.com>. Please contact the school office with any questions.
