INTERESTING STORY

MR.B lost his key on the 24 of September. He was looking for them for more than 3 hours! The next day he bought 3 **BOXES OF DONUTS FOR HIS CLASS** so they might help him find them.... He even look through his desk and still could not find them. They searched the gym and all over the school! Finally, Ethan asked him to look in his day book and there they were, after all that searching.
